

Current Potential Members of the Electoral College 2018 (Updated 9th July 2018)

This is the list of those currently eligible for the Electoral College. The College meets whenever it needs to elect one or more of its members to the Board of Trustees. To participate in the Electoral College, those on the list must also be current EECERA Members. Some members of the Electoral College qualify more than once by virtue of the fact they have done multiple roles, for example, they may have been Trustees and Conference Chairs and Special Issue Editors and SIG Chairs, but they have only one vote and in the list appear only once.
